Independent Auditors' Report

Board of Directors
Bucks County Association for the Blind and Visually Impaired
Newtown, Pennsylvania

We have audited the accompanying financial statements of the Bucks County Association for the Blind and Visually Impaired (a non-profit organization), which comprise the statement of financial position as of June 30, 2014, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Bucks County Association for the Blind and Visually Impaired, as of June 30, 2014 and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited Bucks County Association for the Blind and Visually Impaired's 2013 financial statements, and in our report dated October 14, 2013, expressed an unmodified opinion on those audited financial statements. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2013, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Matter

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedules of Prevention of Blindness Contract #400010109, and Specialized Services, Contract #4000010106 on page 20 are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

BUCKS COUNTY ASSOCIATION FOR THE
BLIND AND VISUALLY IMPAIRED

Notes to Financial Statements

June 30, 2014

NOTE 1. Summary of Significant Accounting Policies

Organization: The Bucks County Association for the Blind and Visually Impaired, (The Association), is a nonprofit organization, and was established in 1945. The Association provides charitable support and various specialized services for the blind and visually impaired throughout Bucks County, Pennsylvania.

Accounting Basis: The Association uses the accrual basis of accounting. Under this basis, revenues are recognized when earned and expenses are recognized when incurred.

Basis of Presentation: The Association is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Unrestricted net assets - Net assets that are not subject to donor-imposed stipulations.

Temporarily restricted net assets - Net assets subject to donor-imposed stipulations that may or will be met, either by actions of the Association and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statements of activities as net assets released from restrictions. There were no temporarily restricted net assets at June 30, 2014.

Permanently restricted net assets - Net assets subject to donor-imposed stipulations that they be maintained permanently by the Association. Generally, the donors of these assets permit the Association to use all or part of the income earned on any related investments for general or specific purposes.

Revenues are reported as increases in unrestricted net assets unless the related assets are limited by donor-imposed restrictions. Expenses are reported as decreases in unrestricted net assets. Gains and losses on assets or liabilities are reported as increases or decreases in unrestricted net assets unless their use is restricted by explicit donor stipulation or by law.

Comparative Information: The financial statements include certain prior year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting policies generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended June 30, 2013, from which the summarized information was derived.

NOTE 1. Summary of Significant Accounting Policies (Continued)

Cash and Cash Equivalents: The Association considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents.

Investments: Investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their quoted fair values in the Statements of Financial Position. Unrealized gains and losses are included in the Statement of Activities. Investments income and gains restricted by a donor are reported as increases in unrestricted net assets if the restrictions are met (either by passage of time or by use) in the reporting period in which the income and gains are recognized.

Accounts and Bequests Receivable: At June 30, 2014, management of the Association considers all accounts and bequests receivable to be fully collectible; accordingly, no allowance for doubtful accounts has been recorded. Accounts and bequests receivable are not collateralized and are charged to expense when they are determined to be uncollectible by management on a case by case basis.

Thrift Shop Inventory: Thrift shop revenue and inventory is recorded at the date of the contribution based on IRS valuation guidelines. Thrift shop expenses are included in program service expenses.

Property, Plant and Equipment: Property, plant and equipment are recorded at cost if purchased and fair value if donated at the date of contribution less accumulated depreciation. Only fixed assets cost or fair value of \$500 and over are capitalized and depreciated. The depreciation expense is \$50,072 for the year ending June 30, 2014. Depreciation is provided on the straight-line method based on the following lives:

	<u>Years</u>
Building and Building Improvements	10-40
Equipment and Furniture	5-10
Vehicles	5

NOTE 1. Summary of Significant Accounting Policies (Continued)

Property, plant and equipment consisted of the following at June 30, 2014:

Property and Equipment	
Land	\$ 21,989
Buildings and Improvements	1,057,705
Construction in Progress	4,761
Equipment and Fixtures	86,115
Vehicles	<u>221,384</u>
Total Property and Equipment	1,391,954
Less: Accumulated Depreciation	<u>(644,787)</u>
Net Property and Equipment	<u>\$ 747,167</u>

Contributions: Contributions received are recorded as unrestricted, temporarily restricted or permanently restricted support, depending on the existence of nature of any donor restriction. Donor-restricted support is reported as an increase in temporarily or permanently restricted net assets depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or when the purpose of the restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions. Donor-restricted contributions whose restrictions expire within the same year as received are reflected as unrestricted contributions in the accompanying financial statements.

Grants and Contracts: Support received under grants and contracts with state and local agencies is recorded as public support when the related costs are incurred and services performed. Grants and contracts receivable represent amounts due for expenditures incurred or services provided prior to year end.

Functional Allocation of Expenses: The costs of providing the Association's various programs and supporting services have been summarized on a functional basis. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Estimates: The preparation of financial statements in conformity with generally accepted accounting principles require management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTE 1. Summary of Significant Accounting Policies (Continued)

Income Tax: The Association is a nonprofit organization that is exempt from income taxes under Section 501(c) (3) of the Internal Revenue Code. The Association has been classified as an entity that is not a private foundation within the meaning of Section 509(a) and qualifies for deductible contributions as provided in Section 170(b) (A) (VI). The Association files Federal Form 990 and has not filed a Form 990T. With few exceptions, the Association is no longer subject to U.S. Federal or state and local income tax examinations by tax authorities for fiscal years before 2011.

As required by the FASB Accounting Standards Codification, entities are required to determine whether it is more likely than not that a tax position will be sustained upon examination by the appropriate taxing authorities before any part of the benefit can be recorded in the financial statements. It also provides guidance on the recognition, measurement, and classification of income tax uncertainties, along with any related interest or penalties. This standard had no impact on the Association's financial statements.

Contributed Services: The Association generally pays for services requiring specific expertise. However, many individuals volunteer their time and perform a variety of tasks that assist the Association at the residents' facilities, but these services do not meet the criteria for recognition as contributed services. During the fiscal year ended June 30, 2014, \$2,300 of in-kind donations were recorded. The fair value of donated rental space for the Telford Clinic was \$1,200. The fair value of photography services donated was \$1,100.

Compensated Absences: Employees of the Association are entitled to paid vacation and sick days, depending on length of service, and other factors. As of June 30, 2014 the unpaid vacation days and related costs of \$22,805 have been accrued.

The Association could not reasonably estimate the amount of compensation for future sick days, and accordingly, no liability has been recorded in the accompanying financial statements. The Association's policy is to recognize the costs of compensated sick days when actually paid to employees.

Advertising: All advertising costs are expensed when incurred.

NOTE 2. Concentrations of Credit Risks and Uncertainties

The Association's operations involve a number of risks and uncertainties. Factors that could affect the Association's future operating results and cause actual results to vary materially from expectations include, but are not limited to general economic factors, lack of government spending, and dependence on key personnel.

Financial instruments that potentially expose the Bucks County Association for the Blind and Visually Impaired to concentrations of credit risk consist primarily of bank and custodial accounts. The Association maintains cash in a demand checking and savings accounts at First National Bank of Newtown (FNB) which during the year the balances may exceed the federally insured limits (FDIC). The remaining cash and cash equivalents are deposited in custodial accounts with FNB, the Bryn Mawr Trust Company and Vanguard Group, which is not insured or collateralized.

NOTE 3. Cash and Cash Equivalents

Cash and cash equivalents at June 30, 2014 are any investments with an original maturity of three months or less.

The FNB operating, payroll and savings account are combined for the purpose of Federal Depository Insurance (FDIC), which is \$250,000. At times, such balances may be in excess of \$250,000 FDIC insurance limits on interest bearing accounts (SIPC insurance for investments, not including market losses) thus exposing the Association to a loss in the amount of the excess. There is no limit on FDIC insurance for non-interest bearing accounts. At June 30, 2014 the operating, payroll and savings account balances were covered by FDIC insurance.

The Custodial Accounts with FNB, The Bryn Mawr Trust Company, and Vanguard Group at June 30, 2014 totals \$219,052 and is not covered by collateral held at the respected institutions nor insured.

As discussed in Note 1, investments are carried at fair value. Investments at June 30, 2014 consist of the following:

	2014	
	<u>Cost</u> <u>Basis</u>	<u>Fair</u> <u>Value</u>
Fixed Income Securities	\$ 1,498,763	\$ 1,520,547
Mutual Funds	162,952	170,485
Common Stock Equities	<u>1,383,110</u>	<u>2,201,391</u>
Total	<u>\$ 3,044,825</u>	<u>\$ 3,892,423</u>

NOTE 4. Investments

For the year ended June 30, 2014, the net realized gains are \$219,224 and the unrealized gains are \$217,147 for net realized and unrealized gains of \$436,371. Investment income (interest and dividends/capital gain distributions) of \$122,805 was earned on cash equivalents and investments during the year ended June 30, 2014. Investment management fees in the amount of \$18,177 have been incurred as of June 30, 2014.

NOTE 5. Beneficial Interest in Perpetual Trust

The Association has been designated the income beneficiary of the assets contained in an irrevocable Perpetual Trust being held by an independent investment manager, in accordance with the Last Will and Testament of Louis C. Spring. The provision of the trust does not give ownership of any amount of principal to the Association. Further, the Association has no voice in the appointment of the investment manager or their investment decisions. The Association receives only quarterly income distributions during each fiscal year. The Association has adopted the accounting treatment for this trust in accordance with *FASB ASC 958-30 Split Interest Agreements*.

Given the nature of the promises, as well as the inability to compute the present value of the perpetual income stream of the trust, the Association recorded \$1,384,337 as a beneficial interest, which is the total fair market value of the principal upon which its income distributions are based as permanently restricted net assets. For the year ended June 30, 2014, the Association received income from the irrevocable trust of \$52,117 which has been included in unrestricted income in accordance with the specifics of the trust in the statement of activities and changes in net assets. Also, an increase in the fair value of the beneficial interest of \$147,111 has been recorded as permanently restricted activity for the year ended June 30, 2014 in accordance with the specifics of the trust in the statement of activities and changes in net assets.

NOTE 5. Beneficial Interest in Perpetual Trust (Continued)

The underlying assets of the Association's beneficial interest in the trust as of June 30, 2014 is summarized below:

	<u>Fair Value</u>
Cash and Equivalents	\$ 19,446
Fixed Income	343,300
Equities	882,129
Real Assets	139,462
	<u>\$ 1,384,337</u>

The investments held by the trust are exposed to various risks, such as interest rate, credit and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that such changes in the values of the investments will occur in the near term and that such changes could materially affect the amounts reported in the statement of financial position.

NOTE 6. Permanently Restricted Net Assets

Permanently restricted net assets have donor- imposed stipulations that they be maintained by the Association. As of June 30, 2014, the donors of these assets permit the Association to use all of the income on related investments for general purposes. The permanently restricted net assets consist of the following:

<u>Principal restricted by</u>	<u>2014</u>
Rose Feinstone	\$ 50,000
Estate of Grace Boone	8,000
Robert Sands Memorial Fund	5,180
Louis C. Spring Trust	1,384,337
	<u>\$ 1,447,517</u>

NOTE 6. Permanently Restricted Net Assets (Continued)

Interpretation of Relevant Law: The Board of Directors of the Association have interpreted the law as requiring the donor-restricted contributions as being classified as unrestricted, temporarily restricted or permanently restricted depending on the nature of the restriction. The Association considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds.

- The duration and preservation of the fund
- The purpose of the Association and the donor-restricted endowment fund
- General economic conditions
- The possible effect of inflation and deflation
- The expected total return from income and the appreciation of investments
- Other resources of the Association
- The investment policies of the Association

Return Objectives and Risk Parameters: The Association's investment practice for endowment assets is to invest the funds in a conservative manner to provide a prudent rate of return.

Strategies Employed for Achieving Objectives: To satisfy its long-term rate-of -return objectives.

Spending Policy and How the Investment Objectives Relate to Spending Policy: The Association's policy does not allow for loans on principal.

Changes in Permanently Restricted Assets for the year ended June 30, 2014:

Permanently restricted net assets, Beginning of the Year	\$ 1,300,406
Net appreciation (Realized and Unrealized)	<u>147,111</u>
Permanently restricted net assets, End of the Year	<u><u>\$ 1,447,517</u></u>

Beneficial Interest in Perpetual Trust	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,384,337</u>	<u>\$ 1,384,337</u>

The table below sets forth a summary of changes in the fair value of the Association's Level 3 assets for the year ended June 30, 2014.

Balance, beginning of the year	\$ 1,237,226
Net unrealized gain	<u>147,111</u>
Balance end of year	<u>\$ 1,384,337</u>

Level 1- Inputs that utilized quoted prices (unadjusted) in active markets for identical assets or liabilities that the Association has the ability to access.

Level 2- Inputs are other than quoted prices that are observable for the asset or liability, either directly or indirectly through market corroboration, for substantially the full term of the financial instrument.

Level 3- Inputs that are unobservable inputs based on the Association's assumptions used to measure assets and liabilities at fair value. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Fixed Income and Equity Securities – Valued at the closing price reported on the active market on which the individual securities are traded.

Mutual Funds – Valued at the net asset value of shares held by the Association at year end.

NOTE 7. Fair Value Measurements (Continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Association believes its valuation methods are appropriate and consistent with other market participants, the use of difference methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 8. Pension Expense

Effective July 1, 1994, the Association approved a defined contribution profit sharing pension plan under Internal Revenue Code Section 403b. The plan substantially covers all full time employees with no age requirement and the participating employees become fully vested after three months of service. Participation is voluntary, and the employee may contribute up to a certain percentage of their pay that is allowed under IRS 403b. The Association may make discretionary contributions in accordance with a percentage of salary determined each year. For June 30, 2014, the percentage was 5% of full time employees pay, which amounted to \$13,221.

NOTE 9. Contingencies

The Association is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions and natural disasters for which the Association carries commercial insurance.

NOTE 10. Subsequent Events

The Association has evaluated events and transactions for potential recognition or disclosure in the financial statements through the date of this report, which is the date the financial statements were available to be issued. No subsequent events have been recognized or disclosed.
