

June 14, 2017

Many of our clients have indicated that while BCABVI's newsletter is interesting, we may want to explore other options for sharing information that are customized to accommodate individual preferences. Our communication goal is to keep everyone engaged and informed, but not overwhelmed with information they don't want.

Therefore, we have chosen to forego the newsletter for July/August 2017 and replace it with a survey that will help us establish the preferred type, frequency and method of communication between BCABVI and each individual. Please complete the enclosed survey and help us communicate more effectively with you.

Even though there is no newsletter in which to list them, things are still happening at BCABVI during July and August. Here is a list of upcoming events in case you want to sign up:

**Tuesday July 4, 2017: Agency Closed - Independence Day**

**Wednesday July 19, 2017: Trip to Shady Brook Farms**

*Note: If you have produce vouchers, they can be redeemed here*

**There is no cost for this trip**

**Wednesday August 16, 2017: Summer Picnic**

*Enjoy some burgers and hot dogs on the grill and play summer games with friends at BCABVI. Note: If you are a vegetarian let us know – we can substitute a black bean burger*

**Cost: \$10.00**

**If you have any questions, please give me a call at 215-968-9400. Thanks and happy summer!**

*Anne Marie*
